Please pack the following items in a bag separate from your other clothes and items you plan to bring to Princeton which you will leave in your dorm room. (Remember you will not be staying in your dorm room during CA!)

**Basic Items:**
Sleeping bag!
Pillow
Towel
Toiletries
Prescription medications (including inhalers, epipens, etc.)

**Clothing (six days worth):**
Bring clothing you are not afraid to get dirty! Whether you’re painting a stage, cleaning trails or helping in a soup kitchen, you should bring something to work in. Long-sleeved shirts, jeans, socks, old sneakerks are good things to bring.

Also bring casual attire. Comfortable shoes, a T-shirt and shorts/pants are good. Make sure to dress modestly out of respect for our community partners. Tank tops and short shorts are prohibited. In case of less than favorable weather, we recommend packing a light sweatshirt and/or rain jacket.

For those students taking part in our Criminal Justice and Interfaith Groups additional clothing information will be provided in your group assignment email.

**Miscellaneous:**
Sunscreen, insect repellent, hat, water bottle
Photo identification (driver’s license, prox, etc.)
Your health insurance card or health insurance information

Make sure not to bring anything that could possibly get stolen: expensive clothes, laptops, electronics, jewelry, etc.
